

# LAKE VISTA PEDIATRICS

*An Integrative Approach*

---

Dear Parents/Guardians,

At Lake Vista Pediatrics, we have always had an integrated approach to healthcare for our patients. At the first of the year, we implemented an annual administration fee for all families due on January 31, 2023. Some of you have reached out to us concerning this fee, and we hear you. We understand that some of you may not have any need for the services provided under the administrative provisions. Henceforth, you will now have the option to opt-out. However, if you choose to opt-out, you will NOT have access to any patient portal privileges and any administrative requests will be charged accordingly.

Administrative requests that are NOT covered by any insurance plan are as follows (per child):

Portal Access:	\$40 per encounter
Virtual Prescription Refill:	\$30
School/Camp Forms:	\$30
Letters:	\$50
Medical Records:	\$30

At Lake Vista Pediatrics, we value our time with our patients and we hope that you value your time with your pediatrician. If you are one of the families that have paid the administration fee and would now like to opt-out, please contact the office for a credit to be applied to your account.
